R EXHIBITS

Albuquerque.-For the first time the thirty-four years of its history of New Mexico will be represented at the coming state fair in October with enty or community exhibit. Thom-

as F. Binkert, secretary of the

Pair Commission announced that be had received space reservations from every one of the counties, either for

a comprehensive county display, or from one of the larger communities,

eretofore was in 1905 when the state

a strong program of illustrated lec-tures to be given Oct. 6, 7, 8 and 9,

and which will constitute an excellent

short course in practical farming and

stock growing. Department heads

retary Binkert, amounts to more at

this time than at the opening of any

previous fair, is accounted for by the

splendid crop conditions throughout

the state and the large cash prizes of-

fered for individual exhibits, which

are inducing many farmers to com-

Big Sale of Timber Pending.

Johnston of the Jemez-Pecos forests

that informal application has been re-

timber covering an area of some 70,-

000 acres in the northern end of the

Jemez National Forest. It is stated

that the conclusion of this sale, which

is expected to go through, will neces-

sitate the construction of a forty-mile

extension of the present railway ex-

tending from Lumberton on the Den-

ver and Rio Grande near the northern

border of the state to El Vado, Rio

Arriba county. Some twenty-three

miles of logging spurs will also be

built. It will be necessary to make a

definite appraisal of the timber at

once and a force of men will be sent

into the forest immediately for this

purpose. This is one of the most im-

portant developments for years in Rio

Arriba and Sandoval counties and will

have the effect of opening up the

Cuba and Covote country to a great

degree. A timber expert from the dis-
